

FREE DOG TRAINING LECTURE SERIES

Brought to you by
PET ORPHANS OF SOUTHERN CALIFORNIA

Join us for entertaining and educational afternoons with Janine Pierce, owner of J9's K9s Dog Training, and renowned expert in canine behavior! As one of the top professional dog trainers in Los Angeles, and featured trainer on the CBS television series "Dog Tales", Janine's motivational and reward based training techniques have helped thousands of dogs and their human companions enjoy better relationships.

To commemorate the upcoming 10th year anniversary of Janine's involvement with Pet Orphans, and the Grand Opening of the new indoor class site in Van Nuys, Janine is personally presenting lectures on canine behavior each month to the San Fernando Valley's dog loving community.

These free 90 minute lectures will be held Sunday afternoons at 2:00pm at our air conditioned facility only half a block away from Pet Orphans: 7850 Gloria Avenue in Van Nuys, California 91406.

Please note: For the safety and comfort of everyone attending, dogs will not be permitted at the lecture site. Pet Orphans will gladly accept donations of any kind at the events, and one lucky attendee will win the door prize! Janine will be covering a new topic each month:

- ◆ **September 14th** - Dog Psychology: How Dogs Learn
- ◆ **October 12th** - Puppies and Adult Dogs: Mischief, Mayhem and Manners
- ◆ **November 9th** - Packed: The Pleasures and Pitfalls of Multiple Dogs
- ◆ **December 14th** - Holiday Havoc: Preparing Your Dog for the Holidays

Pet Orphans of Southern California is a non-profit organization that has been dedicated to the advancement of companion animal welfare for over 30 years.
